WOMEN OVER 50 WILL EXPERIENCE OSTEOPOROTIC FRACTURES. AS WILL MEN

Why attend the 2016 Love Your Bones Health Care Professional Conference?

The conference

- * is the only event dedicated to exploring all aspects of Bone Health and Osteoporosis management in the Portsmouth and Hampshire region.
- * will feature a mix of lectures related to bone health, fracture reduction and osteoporosis management.
- * will provide the opportunity to discuss best practices and review the practical, actionable solutions to managing bone health, fracture reduction and osteoporosis management.
- will, as usual, be an outstanding opportunity to network with peers and engage in relevant, helpful discussions on local and regional bone health, fracture reduction and osteoporosis management.
