

The British Institute of Musculoskeletal Medicine Upcoming Events 2016

20th April

Injection RoadShow

Blackberry Clinic, Milton Keynes.

The one day BIMM workshop 'Soft Tissue Examination & Injections', it offers experiential learning with a high tutor to learner ratio (no more than 1:6) and is suitable for general practitioners, GP registrars and hospital doctors beginning or considering a career or special interest in musculoskeletal medicine. Physiotherapists, nurse and osteopathic practitioners have also found much value in these courses in the past. This course is based around a series of workstations through which participants rotate, learning surface anatomy, examination skills, indications for injection, needle placement (with practice on models) and safety issues.

6th May

Diploma in Musculoskeletal Medicine – Part 1 Written

St. Georges Hospital. Tooting, London

It is the intention of the Examinations Board that this qualification will indicate that a practitioner is able to manage independently patients with common musculoskeletal problems in a primary, intermediate or secondary care setting.

7th – 8th May

Diploma Revision

LCOM Boston Place London NW1 6QH

14th May

BIMM Spring Symposium – “The Loughborough Connection”

Burleigh Court Hotel, Loughborough University, Loughborough

Programme included presentations on research in Optimal Body Use, Tendinopathy, Ankle and Foot biomechanics, Imaging, MSK outcome measures, and new approaches in osteoarthritis.

18th May

Diploma in Musculoskeletal Medicine – Part 2 Clinical

St. Georges Hospital. Tooting, London

October 2016

MSc/PGDip Musculoskeletal Medicine

A new Musculoskeletal Medicine MSc established by BIMM with Loughborough University will commence October 2016. It is open to doctors and allied health professionals who wish to further develop their skills and knowledge to practice in MSK services around the country.
