### **Monthly MSK Meeting**

Royal London Hospital for Integrated Medicine

“Old Wine New Bottles” – Dr. Jens Foell

Jonathan Hearsey, Clinical Lead in MSK department at the hospital, will chair these monthly meetings which will consist of short presentations by invited speakers and a concluding case presentation.

**19<sup>th</sup> October 2016**

### **Injection Roadshow**

Blackberry Clinic, Milton Keynes.

The one day BIMM workshop ‘Soft Tissue Examination & Injections’, it offers experiential learning with a high tutor to learner ratio (no more than 1:6) and is suitable for general practitioners, GP registrars and hospital doctors beginning or considering a career or special interest in musculoskeletal medicine. Physiotherapists, nurse and osteopathic practitioners have also found much value in these courses in the past. This course is based around a series of workstations through which participants rotate, learning surface anatomy, examination skills, indications for injection, needle placement (with practice on models) and safety issues.

**3<sup>rd</sup> December 2016**

### **BIMM Winter Symposium**

Brighton.

Programme includes presentations and workshop on “The Alexander Technique”
