Why attend the 2017- Love Your Bone Health Care Professional Conference?

The conference

- * is the only event dedicated to exploring all aspects of Bone Health and Osteoporosis Management in the Portsmouth and Hampshire region.
- * will feature a mix of lectures related to bone health, fracture reduction and osteoporosis management .
- * will provide the opportunity to discuss best practices and review practical, actionable solutions to managing bone health, fracture reduction and osteoporosis management .
- * will, as usual, be an outstanding opportunity to network with peers and engage in relevant, helpful discussions on local and regional bone health, fracture reduction and osteoporosis management .
