\*\*It is vitally important to advise the NW ARMA Chairperson and co-convenor if you are able/ unable to attend at any of the locations as it may be possible for the room to be re-allocated to other parties who wish to use the Video Conferencing facilities which are under very high demand.

NW ARMA is really fortunate to have access to these facilities.

\*\*\*Thanks are given to the most helpful BCU HB personnel who provided the above information and assistance.

Thank you.
