A brilliant opportunity to lead a small charity delivering impact where it matters for people with musculoskeletal (MSK) conditions.

The Arthritis and Musculoskeletal Alliance (ARMA) exists to improve MSK services in the UK. We are a membership organisation which brings together patient, research and healthcare professional organisations working in MSK health. Working together as an alliance we have a powerful voice to influence policy and improve standards of care across the UK.

After an incredibly successful 8 years at the helm, our CEO Sue Brown will be stepping down at the end of May.

We are looking for someone with a strong background in healthcare policy and campaigning who is confident engaging senior stakeholders in the NHS, Government, arms-length bodies and industry. You should be a natural relationship builder who is comfortable working with member organisations.

If this sounds like you, then please get in touch. We would love to hear from you. You will need to submit your CV together with a two-page cover letter explaining your interest in the role - don't forget to address the person specification in your letter. **Deadline for applications 10am on 27th March 2025.**
